

# COST

The cost to see your doctor or to receive medical treatment can be a barrier to better health. Some doctors or dentists may not take your private insurance, Medicaid, or Medicare, which may result in a higher out-of-pocket expense for you.

One possible alternative is to seek care through a “safety net clinic.” These clinics provide free or reduced cost of care.

This list has been provided by the Kansas Association for the Medically Underserved.

<b>Agency Name</b>	<b>Address</b>	<b>Address 2</b>	<b>City</b>	<b>State</b>	<b>Zip</b>	<b>Phone</b>	<b>Clinic Website</b>
